Mr Eagleburger

I heard you saying on BBC world service in small hours of 25/07/91 that Yeltsin will rank as the greatest democrat and Churchill in this century

In Indian eyes (I am not ^{an} anti-
or an Indian) Churchill ^{who} wanted
to keep Indians enslaved
for ever was the greatest
criminal of this century.
Your remarks betray racialist
gangsterism & for you &
your criminal gang democracy
means democracy for
white skinned people. When
you are ~~dead and~~ gone people
will not remember you for
your humanity - but dogs
will sit at your grave,
you flat bottomed shit
